

## STANDARD OPERATING PROCEDURE - STUDENTS

### 1. Course Registration

- **Eligibility Criteria**  
Students with **pending fees or incomplete documentation are not eligible** for course registration, and **attendance will not be recorded** until the registration is fully completed.
- **Course Registration on Digii**  
Course registration will be available on the Digii portal **for eligible students only**. Students must select their courses, verify credits, and submit the registration form online. Students will not be allowed to attend classes without completing the course registration.
- **Faculty Advisor [Mentor]**  
Students are advised to consult their Faculty Advisor [Mentor] to understand and seek clarity on selection of course(s), credits, etc., prior to course registration.
- **Registration Card Submission**  
After online registration, students must collect the **hard copy of the Registration Card** from the **Concern Department**, get it signed by the **Faculty Advisor [Mentor]** and **Program Chair**, and return the signed copy to the Course Registration Card to the concern department.
- **Cohort & Attendance Details**  
Students can check their **cohort details** on the Digii portal after course registration.  
  
**Daily attendance status** for each course will also be available on Digii. **No attendance will be granted** for any missed classes due to **late registration**.
- **Course Registration Deadline**  
The maximum permissible period for late registration shall not be more than one (01) calendar week counted from the specified date of Registration announced by the University. No extensions will be granted.
- **Late Registration**  
No late registration shall be permitted. However, considering medical exigencies, specifically hospitalization, trauma or contagious disease only, and participation in any competitions/events a student may be permitted for late registration with prior approval from the concerned Program Chair/Dean of concerned School. The maximum period permissible for late registration due to medical shall not be more

|                              |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
